About This Game

Organ Trail is a retro zombie survival game. Travel westward in a station wagon with 4 of your friends, scavenging for supplies and fending off the undead. Members of your party might die of dysentery or you might have to put them down yourself when they get bit. Faithfully recreated as if it were on the Apple 2, Organ Trail offers amazing 16 color art and retro beeps and boops.

Packed full of zombie mechanics, themes and references, this is a must have for any zombie survival fans.
